

SPACEPORT TULSA

APRIL 24-25, 2026
TULSA AIR & SPACE MUSEUM

Become a Sponsor of Spaceport Tulsa 2026

Join the Tulsa Air & Space Museum as we launch Spaceport Tulsa 2026, a two-day celebration of Oklahoma's role in aviation, aerospace, and STEM innovation—happening April 24-25, 2026!

This landmark event brings together students, educators, industry leaders, and the public for an unforgettable experience that inspires the next generation of aerospace professionals.

Friday, April 24

Over 750 students from across the region will gather at the museum for a full day of immersive STEM education, hands-on activities, and motivational stories from astronauts and NASA engineers. Meanwhile, adult participants will enjoy exclusive tours of historic aerospace facilities and sites around Tulsa—showcasing our community's proud aerospace legacy. That evening, our **VIP Mixer** offers sponsors and guests the opportunity to connect in a relaxed, casual setting.

Saturday, April 25

The day features engaging public panels with astronauts and NASA engineers, exploring the challenges and triumphs of spaceflight and aerospace innovation. That night, we'll close the weekend with The **Aviator Ball**—an elegant celebration featuring fine food and drink, a silent auction, and live flight demonstrations.
