

# *Black Fly-day Weekend at TASM*

November 23 & 24

After giving thanks with friends and family, enjoy a day at the Tulsa Air and Space Museum & Planetarium. Trade out the hustle and bustle of holiday shopping with a day of family fun!

## *Flight Simulation Lab*

Usually a members-only zone, our exclusive Flight Lab will be open to all our guests this weekend! Expert Simulation Pilots will be present to help you get off the ground!

## *Paper Airplane Test Center*

Calling all Paper Aerospace Engineers! Build your best paper craft and then take a test flight! Can you make it through our obstacles?

## *Aircraft Designer Interactive Exhibit*

TASM's newest Interactive Exhibit—Pick your mission, chose the best parts and test flight! Test your skills as an aircraft designer!
