FREE ADMISSION FOR FEDERAL EMPLOYEES

TULSA, Okla. – The Tulsa Air and Space Museum & Planetarium is offering free admission for any federal employee and members of their immediate family/household with a photo ID or badge during the federal government shutdown.

The current government shutdown is now that longest on record. TASM would like to offer this small gesture with hope that we can be a place of recreation and recharge.

TASM would like to add a special acknowledgement and thanks to the Transportation Security Administration and Federal Aviation Administration employees who are among the 420,000 federal employees who have been deemed essential and ordered to work without pay.

About TASM

Tulsa Air and Space Museum & Planetarium is the region's hub of science based learning through discovery. Each year, more than 50,000 visitors pass through the museum to explore Tulsa's rich aviation heritage and explore the correlation of science and technology with flight.
